Sr Import Traffic Compliance Analyst

-284843

Who We Are

Textron Systems is part of Textron, a \$14 billion, multi-industry company employing 35,000 talented makers, thinkers, creators and doers worldwide. We make things that fly, hover, zoom and launch. Things that move people. Protect soldiers. Power industries. We serve customers in industries spanning aerospace and defense, specialized vehicles, turf care and fuel systems.

This role is in Textron System's Finance business area. Visit TextronSystems.com & Lycoming.com to read more about who we are and the products we make!

This position will ensure compliance with Customs and Participating Government Agency requirements on imports, and optimize use of special trade programs such as Free Trade Agreements, etc.

Key Responsibilities include:

- Develop, document, implement and maintain internal controls for compliance with Free Trade Agreement.
- Serve as in-house expert for all FTA inquiries

- Manage POA's and Customs bonds for all TSC BU's as needed.
- Stay current on new or changing regulations or initiatives, attend seminars to remain updated and educated on same.
- Assist in developing/updating company policy and procedures in related areas.
- Design, document, implement, and maintain system to qualify products/transactions for tariffs reductions under special trade programs.
- Maintain required records
- Train personnel as appropriate.
- Interface with TSC's Customs Brokers and CBP officers.
- Assist in the research and interpretation of international trade regulations
- Assist with Free Trade Agreement and Country of Origin determination
- Manage U.S. imports for repair parts using TIB and HTS chapter 98
- Ability to back up export team as needed
- Support audits/self-assessments
- Respond to Customs queries such as CF28s & CF29s.
- Assign HTS classifications using reasonable care and due diligence methodologies such as product descriptions, CROSS, open source data, Samples, Technical data and Explanatory Notes. Maintain company HTS product database.

Education and Experience Requirements:

Bachelor's Degree in related field.

Licensed Customs Broker preferred.

5+ years global trade compliance experience

Knowledge of customers requirements and special trade programs
