At the Hawthorne Gardening Company (HGC) we want our people to empower more people to garden no matter where and how they choose to grow. We accomplish this by encouraging people to live happier, healthier lives through gardening. If you also feel this way then you'd fit in great with us!

At Hawthorne Gardening Company (HGC) we want our people to empower more people to garden no matter where and how they choose to grow. We accomplish this by encouraging people to live happier, healthier lives through gardening. If you also feel this way then you'd fit in great with us!

We are looking for a Trade Compliance Specialist who will grow at our Vancouver, WA Hawthorne Gardening Co location. This role will provide functional support to the Global Logistics Trade Compliance Shared Services Group for Hawthorne Gardening and The Scotts Company.

What you'll do in this role:

- Review and assign HTS classification by geography
- Respond to daily customs broker communication
- Participate in broker audit program
- Track post entry corrections
- Monitor export compliance reports (ACE) and filings (EEI)
- Support PGA applicability reviews for imports and exports

About Us

Hawthorne Gardening Co. is a house of brands that provide an incredible array of tools for a multitude of gardening needs and yet all share one mission: to help people live happier, healthier lives through gardening. Our company is dedicated to creating high-quality products founded in social and environmental responsibility. We create engaging consumer experiences and products with the ease and innovation to empower more people to garden no matter where and how they choose to grow.

Are you currently a Scotts Miracle-Gro or Hawthorne Gardening Company associate? Log into the company's network and apply through Workday via the Garden.
