Job Description

Senior Specialist, US Trade Compliance - (30003343) Description

Ansell is a leading global provider of protection solutions. Our company designs, develops and manufactures a wide range of protection solutions that meet the ever-changing needs and demands of our markets and industries. Protection is our primary concern as millions of people around the world depend on Ansell in their professional and personal lives.

Our vision is to create a world where people can enjoy optimal protection against the risk they are exposed to. Whether at work or during their leisure time, people require the right protection for the right application. After all, what better guarantee is there than increased safety, security and productivity than through adequate protection.

This compliance position is part of the operations logistics team, reporting to the Manager of US Customs and Compliance.
