Masters™ Method

Join us for our next Virtual EXPORT Classification Training!

November 18-19

SAME PROVEN AND SIMPLE CLASSIFICATION PROCESS

Our 2 Half-Day Export Classification training teaches you how to quickly and accurately classify any item under the ECCN or USML. Our proven 7-step method is simple to learn and easy to apply to any item with speed, efficiency and confidence. Come away practiced, tested and ready to implement.

Same Engagement

Using both video, audio and team break-out rooms, we promise the most engaging and fun virtual training you have ever attended.

Same fun Activities

We will mail each student an action packed training kit full of materials, hands-on activities, practice forms, and other surprises.

2 Half-Day Trainings to avoid burnout

We know online training and working from home is different. We make the training more effective by spreading it out over 2 half-days!
