

Job Opportunity

Company	Zonos
Job Title	Trade Classification Specialist
Location	St.George, UT
Salary Range	Dependent on experience
Relocation Assistance	Yes

Job Description / Responsibilities / Requirements

Zonos is the cross-border technology solution for online retailers and other solutions providers that deal with global e-commerce. Our mission statement, “create trust in global trade” drives our processes and outcomes. The key to creating trust is transparency, which has been lacking in the cross-border industry for consumers, merchants, and businesses. We deliver technology, not boxes. If you’re looking to join a fast-growing company with a strong mission and vision that puts people first, we want to meet you.

Overview

The Trade Classification Specialist is a hybrid of Global Trade Specialist, Trade Compliance Specialist, and Product Management functions where the successful candidate will play a critical role in ensuring Zonos complies with the global export and import control laws. Apply export/import laws and regulations to accurately assign export/import classifications to Zonos

technologies. Document the classification analysis performed for record keeping and audit purposes. Attend and observe product development meetings to gather facts and set priorities.

Partnering with internal and external customers to ensure that the technology and business needs are met.

What you will do...

- Classify parts for use within Zonos technology under the Harmonized Tariff system – Schedule A and sometimes Schedule B.
- Conduct research necessary to determine correct HTS assignment by use of CROSS, Explanatory Notes, CIT and CAFC rulings
- Assist with communicating to clients and keeping them updated
- Train other Zonos employees to develop classification skills.
- Attend required training sessions to learn more about imports and keep current of changes in import trade requirements.
- Review tariff codes for Partner Government Agency flags to aid clients to ensure their compliance with other government agency requirements. Escalating when necessary to the Global Trade Content Team.
- Read, analyze and interpret complex procedures or regulations and write correspondence and procedural documents that will have internal and/or external audiences.
- Recommend solutions to common problems.
- Respond promptly and professionally to customer needs and solicit customer feedback to improve performance.

- Assist the Product team in improving existing Zonos products and creating new, innovative solutions for customers and partners
- Contribute to a positive and collaborative work environment.
- Be ready to learn and grow in a complex and challenging industry
- Work with an amazing company and team.
- And more!

You could be a strong addition to the team if you...

- Want to live in sunny St George and enjoy a healthy work-life balance;
- A self-starter attitude who enjoys a challenge and works hard
- Related industry experience
- Strong analytical skills
- Strong documentation skills
- Strong research and deductive reasoning skills
- Strong communication skills with the ability to explain complex subjects in a simple way
- A strong desire to learn and not afraid to ask questions.
- The ability to collaborate in a fast-paced environment involving different stakeholders and subject-matter experts

What we offer:

- Competitive pay
- Medical, Dental, Vision, & Life - we pay 100% of the employee premium!

- Paid leave for maternity, paternity, and other life events
- Employee Assistance Program
- 401k retirement plan with generous company match
- Flexible paid time off - we require all our Zonuts to take a minimum of 2 weeks off per year. Take some time to relax!
- 1 month paid time off at 5 year anniversary
- All of the office snacks and drinks you could possibly consume
- Daily company lunch

Life at Zonos

Welcome to Southern Utah where the sun is shining 255 days out of the year, palm trees are swaying in the breeze, and adventure and exploration await! Neighboring the stunning Zion National Park, Southern Utah is known for its outdoor recreation. Explore endless options for biking and hiking trails all over town, enjoy watersports, boating, and fishing at Sand Hollow State Park, and when you need to get away, we are only a short hour and a half drive to the entertainment and fun of Las Vegas.

As a Zonut you'll be able to take in the gorgeous view of St. George from Tech Ridge, a rapidly growing epicenter for tech, retail, and dining here in Southern Utah. As an organization, we are always striving to be a great company, not just a big company. We are constantly cultivating an environment of collaboration and teamwork, where our API's and core values are the living, breathing heartbeat of everything we do.

Here at Zonos we are committed to cultivating a team of ambitious and innovative people who are hungry and willing to stretch and grow. International trade is complicated and working at a growing cloud technology company is hard, but we are here to support your learning and development. For these reasons, if

you are uncertain about applying, we encourage you to do so even if your experience doesn't exactly match the job description. We welcome diverse perspectives from people who think outside the box and aren't afraid to challenge assumptions. Come join us!
