

Trade Compliance Analyst

WESCO | Anixter is seeking a Trade Compliance Analyst. In this role, you will support and implement trade compliance procedures to fulfill the responsibilities under the regulatory agencies which govern the export and/or import of goods to and from the United States including, but not inclusive of, the U.S. Customs and Border Protection; the U.S. Department of Commerce's Bureau of Industry and Security; the U.S. Census Bureau; the U.S. Department of State's Directorate of Defense Trade Controls and the U.S. Department of Treasury's Office of Foreign Assets Control. You will ensure that all trade compliance procedures are in accordance with Wesco policies and manuals and relevant local, country and international law and processes.

Responsibilities:

-] Function as professional authority to review products, parties to the transaction and destination for trade compliance worldwide.
-] Classify products for import and export.
-] Audit export and import files.
-] Liaise with freight forwarders and Customs brokers as needed to resolve trade compliance topics.
-] Apply for export and import authorizations as needed.
-] Provide Trade Compliance training/consultation on rules and regulations and transaction processes to global personnel.
-] Utilize trade compliance knowledge to research and apply trade regulations to the business.

Qualifications:

-] Bachelors Degree - Business, Finance or related field is required (5+ years trade compliance can substitute for degree)
-] U.S. Licensed Customs Broker or CUSECO Certified is preferred
-] 2-4 years' experience in trade compliance, audit or a related area/industry required.
-] International logistics experience preferred.
 - o Import and Export Processes (familiarity with the HTS and the roles of the parties to the transaction)
 - o International Transportation
-] Experience with any of the WESCO ERP systems including WESNET, Mainframe or other off system preferred.
-] Knowledge of products offered by the Company
-] Strong attention to detail
-] Analytical skills
-] Customer service skills
-] Excellent communication, prioritization and organizational skills
