

4700 Marine Creek Pkwy, Fort Worth, TX 76179, USA

Trade Compliance Manager

Company Description

Elbit Systems of America is a leading provider of high-performance products, system solutions, and support services focusing on the defense, homeland security, commercial aviation, and medical instrumentation markets. With facilities throughout the United States, Elbit Systems of America is dedicated to supporting those who contribute daily to the safety and security of the United States. Elbit Systems of America, LLC is wholly owned by Elbit Systems Ltd. (NASDAQ: ESLT and TASE: ESLT), a global high technology company engaged in a wide range of programs for innovative defense and commercial applications. For additional information, visit: www.elbitsystems-us.com or follow us on Twitter.

Job Description

Lead and manage Elbit America's Export Classification Program. Own the company's product classification process, serving as the chief ITAR and EAR classification subject matter expert, providing advice and guidance across the organization.

Principal Responsibilities

Classify all Elbit America-manufactured, purchased or exported products according to the United States Munitions List (USML), Commerce Control List (CCL), or other applicable U.S. or foreign government regulations

- Develop, implement and own Elbit America's global export classification repository
- Serve as the company's primary classification subject matter expert
- Draft and submit Commodity Jurisdiction and CCATS requests
- Research and assign Schedule B (and HTS as needed)
- Perform technical data reviews through internal request systems and assign proper authorization
- Receive and provide subject matter training
- Provide technical inputs to licenses and agreements
- Communicate product classification determinations to Elbit America workforce
- Collaborate with our affiliate companies, suppliers and customers on Trade Compliance-related subject matter
- Regularly create and provide internal and external guidance to stakeholders
- Develop, refine, and implement trade compliance policies and procedures
- Develop and implement product classification and compliance strategy
- Perform other trade compliance-related duties, as assigned.

Qualifications

- Bachelor's Degree and 5-7 years professional business experience in product design and manufacturing or an equivalent combination of education and experience
- Knowledge of Microsoft Office required. OCR and AES preferred.

4700 Marine Creek Pkwy, Fort Worth, TX 76179, USA

- Ability to work independently, with minimal follow-up and guidance.
- Secret-level security clearance required
- Can multi-task yet remain attentive to details
- Capable of critical analysis for troubleshooting and resolving organizational and regulatory problems
- Competent to analyze and interpret export/import laws, regulations & industry best practices
- Practices excellent written and verbal skills

Additional information

As a contractor to the U.S. federal government, all Elbit Systems of America employees are required to be fully vaccinated against COVID-19. As a result, full vaccination is required for this position unless you are legally entitled to an accommodation.

All your information will be kept confidential according to EEO guidelines.
