- **Relocation Authorized: None**
- **Telework Type: Part-Time Telework**
- **Work Location: Houston, TX**

Trade Compliance Classification Specialist

- Solid knowledge of U.S. Customs Regulations including HTSUS and ECCN classification and country of origin requirements in order to assist projects in determining appropriate HTSUS and ECCN classifications for all company products.
- Provide analysis on international trade/customs issues
- Update all applicable systems with the appropriate tariff classifications (Oracle GTM)
- Support any systems implementation that may have a direct impact on the Trade Compliance team (GTM).
- Monitor the regulatory changes that may affect imports and implement any necessary process improvements to ensure continued compliance with all laws and regulations.
- Identify, analyze, and resolve any issues related to delayed customs clearance processes.
- Assist with project requests related to tariff classifications / duty estimates and determinations.
- Assist in the development of new processes/systems regarding systemization of the import and export control program

- Provide projects assistance with ITAR/EAR determinations
- Assist in development and communication/delivery of Trade Compliance Training
- Assist Business Development and customers with leveraging trade incentives
- SME outreach and education across the enterprise

Basic Qualifications:

- Bachelors in business or technical degree or 5 years related experience
- Working knowledge of Harmonized Tariff classifications including Understand the General Rules of Interpretation of the Harmonized Tariff Schedule of the United States in order to review and / or assign the correct HTSUS and corresponding duty percent for all imports into the United States. As well as the WTO Explanatory Notes to the HTS for global classifications.
- Working knowledge of Export Commodity Classification(s) (CCATS ECCN)
- Strong research, writing, communication and presentation skills
- Detail orientated and able to work independently

Preferred Qualifications

- Licensed US Customs Broker (preferred)
- Certified Classification Specialist or similar designation (preferred)

Shaping tomorrow together

Bechtel is one of the most respected global engineering, construction, and project management companies. Together with our customers, we deliver landmark projects that foster long-term progress and economic growth. Since 1898, we've completed more than 25,000 extraordinary projects across 160 countries on all seven continents. We operate through four global businesses: Infrastructure; Nuclear, Security & Environmental; Energy; and Mining & Metals. Our company and our culture are built on more than a century of leadership and a relentless adherence to our values, the core of which are safety, quality, ethics, and integrity. These values are what we believe, what we expect, what we deliver, and what we live.
