

Professional Diploma in International Trade Compliance

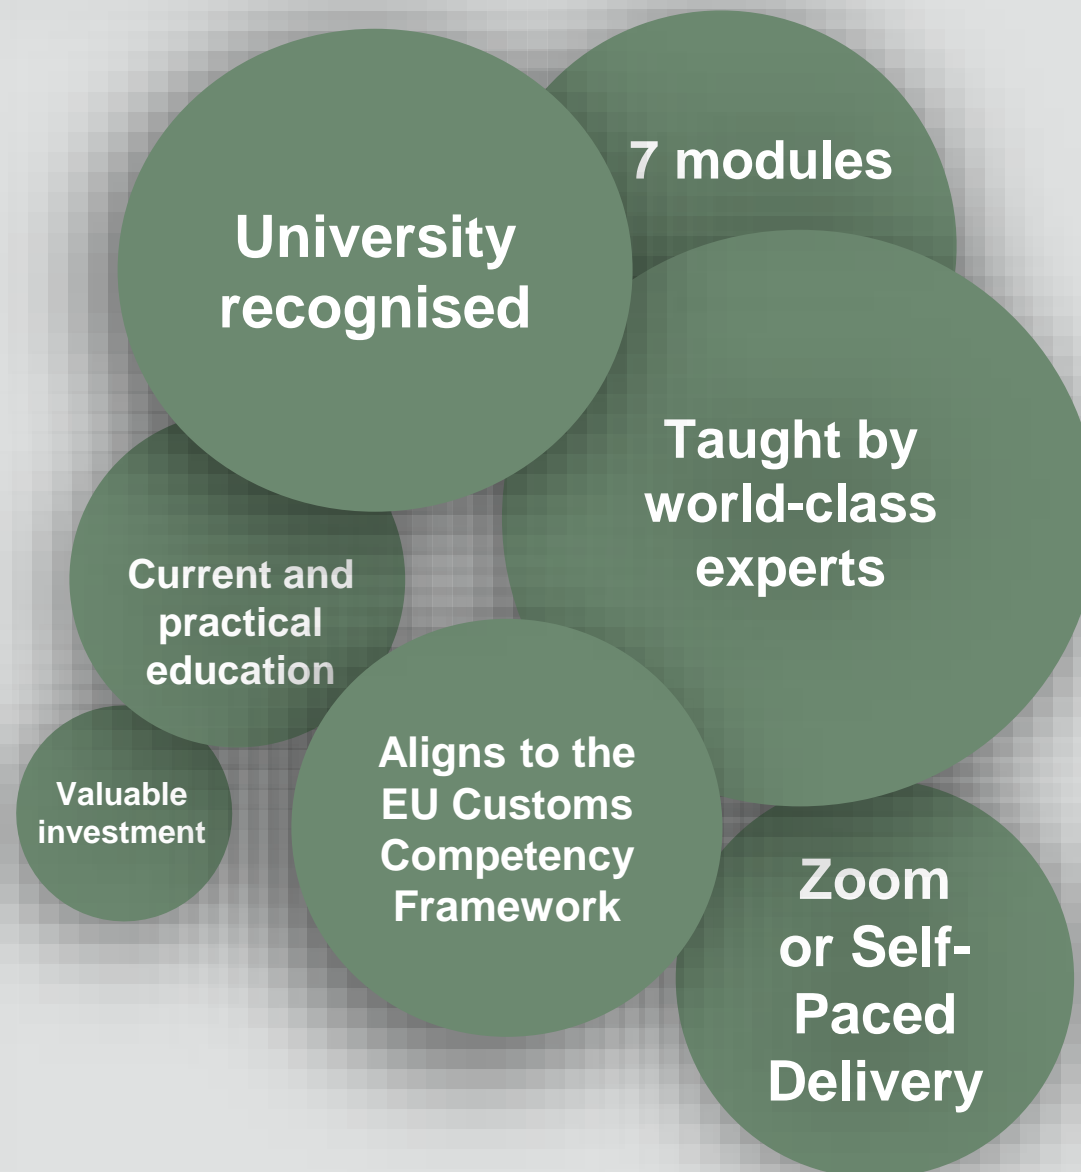

Main Benefits of Completing the Diploma

Key Features of the Diploma

What our students say

"I found the course to be very informative and conducted in a way that was easy to follow. I enjoyed the interaction which was encouraged throughout and was impressed by the level of knowledge displayed by the speakers. As we deal with numerous companies based in UK it is important to have a good understanding of the customs procedures that we must comply with post Brexit. I feel like I am now much better equipped going forward in my role as a Materials Specialist in the Aviation Sector. I would have no hesitation recommending this course to my fellow industry professionals."

- Alan Monaghan - Senior materials Specialist (Dublin Aerospace)

"The course has given me a better insight into foreign markets and their customs requirements which should help us assess and expedite export orders more efficiently and allow us to grow our territory with a bit more confidence and base knowledge." - Karen O'Callaghan, Sales Executive (Ingredient Solutions Ltd)

I could not recommend this course enough." - Martin Flynn, Logistics Specialist (MaggrowTec)

What our students say

"Happy to have completed the Diploma in International Trade compliance from the International Trade Institute. Excellent content throughout the course and delivered by world class experts. Highly recommend this course to anybody who would like to learn more in this field as its highly relevant." - David Long, Senior Supply Chain Specialist (Abbott)

"When completing the Professional Diploma in International Trade Compliance as mentioned the level of detail was superb. The experts that presented the course did so in a very interactive way that made reference to the day to day in detailing what does and should apply in the areas of Customs and Trade Compliance. Understanding all current aspects within Customs and Trade Compliance in the Freight and Logistics industry enables streamlined processes and the knowledge gained enables real time solutions with any enquiry that may arise." - Hilda Horgan, Head of Customs Brokerage (DB Schenker)

"Thanks for this really informative course. This will be beneficial in my role & there has been so much to learn" - James Hurley, Warehouse Coordinator (BD)
