Ansell is looking for a Sr. Specialist Duty Drawback & Trade Compliance to join our team in Iselin, NJ!

In this position you will play a vital role in managing customs compliance for the Duty Drawback program, including claim development and filing. The position interacts with U.S. Customs, other government agencies (e.g., FDA, USDA), and internal/external stakeholders on import/export regulations and compliance matters.

What benefits and opportunities does Ansell offer?

- Competitive compensation plan, including a performance based annual incentive.
- Flexible and hybrid work model.
- A culture of belonging and inclusion, collaboration thrives, and everyone feels seen, heard, and empowered—across our global community.
- Ansell University, LinkedIn Learning and Mentorship programs to develop professional and interpersonal skills.
- Opportunities to advance and grow within the company through LinkedIn Learning and Mentorships.
- Health Benefits: medical, dental, vision, short term and long- term disability and wellness programs
- 401-k plan with company match
- Paid time off (vacation, sick and personal days) 14 paid holidays
- Continuing Education Reimbursement
- Summer Friday's
- Regional Belonging & Inclusion Networks
- Green office concept and a global mission of sustainability

What your role will be?

- Develop and manage Ansell's Duty Drawback program, ensuring compliance with U.S. Customs regulations.
- Document and improve internal processes to strengthen compliance controls.
- Coordinate with Logistics, Finance, Legal, Customs Brokers, and Drawback filers for accurate and timely filings.
- Support peer functions in maintaining global trade compliance.
- Assist with Harmonized Tariff Schedule (HTS) classification as needed.
- Manage relationships with U.S. Customs and Partner Government Agencies (e.g., FDA, USDA).
- Support the Director of Global Trade Compliance in enhancing strategic compliance initiatives.
- Assist with country-of-origin determinations and free trade agreement compliance.
- Develop and deliver internal training on trade compliance topics.
- Respond to government trade inquiries (e.g., CF28, CF29).
- Review new products for HTS classification and identify potential duty savings.
- Use government portals such as ACE and CTPAT to support compliance activities.

What will you bring to Ansell?

- Bachelor's Degree or combination of schooling and Customs Compliance experience
- Customs Broker's license preferred.
- Certified Customs Specialist preferred.
- 5 years or more of years direct Customs compliance experience.
- Direct experience with U.S. Customs' Duty Drawback program.
- Prior experience with import/export activities & logistics is recommended.
- Preferred Trade Compliance experience with an importer.
